RE: Antidumping duty scope determination on Plastic Magnet Characters from the People's Republic of China (A-570-922).

Notice of the lifting of suspension occurred on the message date of these instructions. See paragraph 5 below.

1. Commerce received a scope ruling request from Lakeshore Learning Materials. Commerce issued a final scope determination on 12/15/2016 that Plastic Magnet Characters which Lakeshore Learning Materials imports are not within the scope of the antidumping duty order on raw flexible magnets from the People's Republic of China (A-570-922).
2. Commerce determined that Lakeshore Learning Materials Plastic Magnet Characters are outside the scope of the order because the magnets incorporated into the product are not bonded or laminated to the encasing plastic material, rather the product is held together by friction. Therefore, Lakeshore Learning Material's Plastic Character Magnets are not within the scope of the antidumping duty order on raw flexible magnets from the People's Republic of China.
3. For all entries of Plastic Character Magnets not within scope that remain unliquidated on or after 04/25/2008, CBP shall terminate suspension and liquidate entries of product not within scope which were entered, or withdrawn from warehouse, for consumption.
4. Refund any cash deposits relating to Plastic Character Magnets described above.
5. These instructions constitute notice of the lifting of suspension of liquidation of entries of Plastic Character Magnets entered, or withdrawn from warehouse, for consumption on or after 04/25/2008.
6. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication

of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

7. Unless instructed otherwise, for all other shipments of Plastic Character Magnets from the People's Republic of China not covered by paragraph 2 above, you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current rates.
